- Unified look with a matching print across all sides, wall tops & bottoms
- 3/4" thick, adjustable white laminate shelves
- Available in 9 door styles and colors
- Madison Graphite and Georgetown Slate are available for immediate shipment

Laminate Door Styles

ASH GRAPHITE

MADISON

5/8" thick thermally fused laminate slab door. Both Ash & Graphite are trend on, gray-based colors with striking, textured wood grain patterns. Doors are edgebanded with excellent scratch and wear resistance.

WINTERBARK MOONLIGHT BROWNSTONE

UPTOWN

5/8" thick thermally fused laminate slab door. Winterbark, Moonlight, and Brownstone are textured, on-trend colors. Doors are edgebanded with excellent scratch and wear resistance.

Painted Door Style

SLATE

GEORGETOWN

3/4" thick painted MDF shaker door in Slate. One piece construction eliminates joint lines and center panel movement.

Thermofoil Door Styles

EXOTIC WHITE FASHION GREY

GALLERY

3/4" thick thermofoil shaker door in Exotic White and Fashion Grey. Easy to clean doors without the joint line challenges with painted doors.

EXOTIC WHITE

AVALON

3/4" thick thermofoil slab door in Exotic White. Easy to clean surface and durable performance.
