TRADITIONAL

OLD WORLD TRADITIONAL

KEY WORDS

“Traditional”
“International”
“Worldly”
“Classic”
“Rich”

What to GOOGLE

“Old World Kitchen”

CHARACTERISTICS

- Turnings or Applied Details
- Granite Counter tops
- Muted, deep, rich colors
- Historical elements

DOORS MAY BE:

- Darker Wood Tones
- Cream or Neutral Paint Tones
- Ornate Moldings

HARDWARE SUGGESTION

Silver finishes like Satin Nickel and Stainless Steel as well as darker finishes like Oil-Rubbed Bronze Highlighted and Vintage Bronze add to the well traveled and classic looks of this style. These collections offer traditional details with sophistication and charm.

FRENCH COUNTRY

The French countryside brings to mind rustic stone walks, aged wine, and fresh baguettes. These images inspired Hickory Hardware's French Country collection. This pull will bring some of the French countryside into your own home with its rustic charm and beauty.

FINISH SUGGESTIONS: VB
PAGE # 111

WILLIAMSBURG

Williamsburg is a versatile collection offering many possibilities for your home. Need a no-fuss pull for the cabinets in your multipurpose room? Have you been looking for a pull for the storage drawers in the den? This pulls easy style is adaptable to whatever your project or home needs.

FINISH SUGGESTIONS: BNV, VB, 10B, SS
PAGE # 85

BRIDGES

This collection was inspired by the great wonders of the architectural world. Resembling bridges and the details from rails, elevation, and arches. The crisp edges and strong lines make this pull an excellent choice for a clear, yet unique design.

FINISH SUGGESTIONS: OBH, SN
PAGE # 62

SOMERSET

The Somerset collection brings to mind large, airy homes with picturesque landscapes. Bring some of that picturesque imagery to your own home with this pull. The Somerset pull's distinct edges and crisp design will transform your cabinets or drawers into a beautiful marvel.

FINISH SUGGESTIONS: BNV, DAC, SN
PAGE # 61

ARTS & CRAFTS or MISSION

KEY WORDS

“Traditional”
“Structured”
“Simple”
“Natural”

What to GOOGLE

“Mission Kitchen”

CHARACTERISTICS

- Darker Wood Tones
- Arched Entry or Windows
- Minimal Ornamentation
- Simplicity in Design
- Cream or Dark Stone Counters
- Warm Wood Flooring

DOORS MAY BE:

- Medium to Dark Wood Tones
- Occasionally Painted
- Minimal Moldings

MISSION HARDWARE SUGGESTION

Darker finishes like Windover Antique and oil rubbed bronze add to the rustic elements of this style. These collections combine simple lines and rustic elements, such as hammered textures to highlight the mission style.

CRAFTSMAN

The Craftsman collection takes its inspiration from the works of manual laborers who have produced creations with their own hands. This Craftsman knob is a strong, robust knob for your projects or rooms that need powerful statements. It will fortify the hearty interior design that you have created for your home.

FINISH SUGGESTIONS: OBH, WOA, BI

PAGE # 108

OXFORD ANTIQUE

Tradition lives on with the Oxford Collection. If the traditional decor of your home needs a bit of something new, this collection will help you achieve the look you need. If you are renovating to a more traditional style, this knob will help make that transition an easy one.

FINISH SUGGESTIONS: WOA

PAGE # 101

BRIDGES

This collection was inspired by the great wonders of the architectural world. Resembling bridges and the details from rails, elevation, and arches. The crisp edges and strong lines make this pull an excellent choice for a clear, yet unique design.

FINISH SUGGESTIONS: OBH

PAGE # 64

BUNGALOW

Bungalow's sleek design with beveled edges brightens up a space with its rectangular design. Add a stylish accent to polish up your space that compliments straight lines and contemporary style.

FINISH SUGGESTION: RB, 10B, OBH

PAGE # 49

FARMHOUSE

KEY WORDS

“Rustic”
“Homey”
“Casual”
“Warm”
“Vintage”
“Feminine”

What to GOOGLE

“Farmhouse Kitchen”

CHARACTERISTICS

- Mixed Materials
- White - Grey - Neutral Paint Colors
- Natural Wood Finishes
- Butcher Block Tops
- Natural, rustic, or worn wood floors
- White or Natural Ceramic Accents

DOORS MAY BE:

- Painted (Grays/Whites)
- Lighter Wood Tones
- Some Moldings

FARMHOUSE HARDWARE SUGGESTION

Dark finishes like matte black and black iron highlight the rustic elements of the style, where as Copper adds a lighter, playful, and trendy feel to the room. These collections highlight familiar shapes with contemporary twists.

TWIST

The Twist collection evolved from organic lines found in nature and contemporary architecture. The harmonious twist and undulating curves cause luminous contour that are pleasing to the eye.

FINISH SUGGESTIONS: CP, BI

PAGE # 16

AMERICAN DINER

Looking for a simple design to spice up your project? Influenced by the American diner era, the simplistic shapes give any room a classic 50's vibe with a modern twist.

FINISH SUGGESTIONS: VB

PAGE # 24

REFINED RUSTIC

The Refined Rustic collection offers a vast array of rugged, tough pulls that are perfect for the most adventurous of projects. Whatever your task, this pull will be sure to achieve the rustic look you want.

FINISH SUGGESTIONS: RI, BI

PAGE # 98

WILLIAMSBURG

Williamsburg is a versatile collection offering many possibilities for your home. Need a no-fuss pull for the cabinets in your multipurpose room? Have you been looking for a pull for the storage drawers in the den? This pull's easy style is adaptable to whatever your project or home needs.

PAGE # 87

INDUSTRIAL

KEY WORDS

“Rustic”
“Masculine”
“Loft”
“Industrial”

What to GOOGLE

“Loft Style Kitchen”

CHARACTERISTICS

- Open shelving
- Mixed materials
- Rustic wood elements
- Industrial metal elements
- Neutral palette: wood, grey, black, white
- And/or screws as ornament
- Exposed pipes
- Concrete

DOORS MAY BE:

- Simple moldings
- Rustic wood finishes
- Painted finishes - white, grey, black

INDUSTRIAL HARDWARE SUGGESTION

Darker tones as well as matte silver tones pair well with the reclaimed and rustic aspects of this style. Designs that pair well with it have industrial details or very minimal details with straight lines.

PIPELINE

Our Pipeline design is rooted from industrial-style, mimicking salvaged elements from historic warehouses. The beautiful, rustic finishes are inspired by discarded and often discredited objects. Reviving industrial style into functional and unique designs.

FINISH SUGGESTIONS: BNV, VB
PAGE # 97

GREENWICH

Hickory Hardware's Greenwich collection is an artsy and creative collection intended to complement the beauty of your home. The smooth arc of the Greenwich pull will be an ideal option for your kitchen or bathroom project.

FINISH SUGGESTIONS: SS, 10B, 14, WOA
PAGE # 41

BAR PULL

The Bar Pull collection's distinctive angles are a subtle masterpiece for any kitchen or bathroom cabinet. The chic, modern pull will complement your contemporary home. It will allow your minimalist designs to shine and will keep your guests focused on your home's consistent atmosphere.

FINISH SUGGESTIONS: BBLN, SS
PAGE # 36

SKYLIGHT

The Skylight collection was inspired by contemporary kitchen design, taking the elements of architecture to its simplest forms: the square and the 90 degree angle. This group embodies the balance of proportion.

FINISH SUGGESTIONS: EGN, SS, 14
PAGE # 19

TRANSITIONAL

NEO-TRANSITIONAL

KEY WORDS

“Eclectic”
“Traditional”
“Modern”
“Casual”

What to GOOGLE

“Traditional Grey Kitchen”

CHARACTERISTICS

- Mix of old and new details
- “Anything goes” style
- Wood floors
- Stone countertops, usually lighter
- Occasionally wood counter-tops
- Traditional kitchen
- Geometric backsplash
- Light color palette

DOORS MAY BE:

- Simple moldings
- Often painted white or grey

NEO-TRANSITIONAL HARDWARE SUGGESTION

Silver finishes highlight the classic and timeless aspects of this trend while darker finishes and copper finishes create a trendy and updated look. These collections feature simple shapes to complement the clean lines of the kitchen, with lighting and rugs providing texture and color.

CREST

Inspired by the curvatures prevalent in mid-century modern design. Organic but symmetrical, simple, but with a touch of character. The slight curves add refined elegance to any contemporary style.

FINISH SUGGESTIONS: FUB, CH, SN

PAGE # 13

TWIST

The Twist collection evolved from organic lines found in nature and contemporary architecture. The harmonious twist and undulating curves cause luminous contour that are pleasing to the eye.

FINISH SUGGESTIONS: SN, BI, CP

PAGE # 16

SKYLIGHT

The Skylight collection was inspired by contemporary kitchen design, taking the elements of architecture to its simplest forms: the square and the 90 degree angle. This group embodies the balance of proportion.

FINISH SUGGESTIONS: SS, 14

PAGE # 19

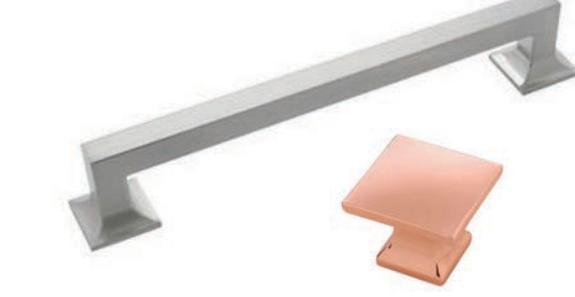

STUDIO

Inspired by the 19th Century Pioneer of the simple, modern aesthetic, Christopher Dresser featured geometric forms with a touch of Eastern influence as the hallmarks of his studio. Its versatility allows a wide variety of applications.

FINISH SUGGESTIONS: CP, OBH, SN, 14

PAGE # 31

CLASSICAL

KEY WORDS

“Traditional”
“Warm”
“Casual”

What to GOOGLE

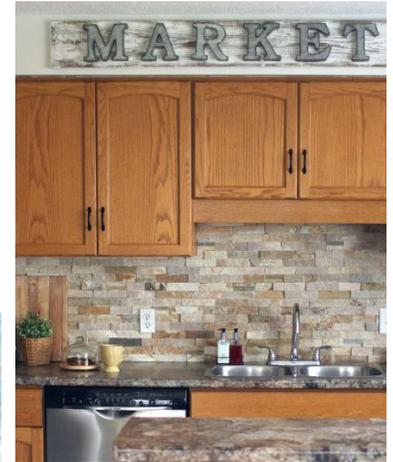

“Oak Kitchen”

CHARACTERISTICS

- Traditional elements
- Neutral color palettes
- Wood flooring
- Tile floors
- Granite counters
- Natural wood tones and materials

DOORS MAY BE:

- Warm wood tones
- Simple or more complex moldings
- Often has rounded top on doors

CLASSICAL HARDWARE SUGGESTION

Silver tones like Satin Nickel and Polished Nickel pair well with this look. Darker tones like Vintage Bronze and Oil-Rubber Bronze Highlight the natural wood tones. These designs offer traditional forms and motifs, a stylish update when painting or replacing your cabinets is not desired.

CREST

Inspired by the curvatures prevalent in mid-century modern design. Organic but symmetrical, simple, but with a touch of character. The slight curves add refined elegance to any contemporary style.

FINISH SUGGESTIONS: SN, CH

PAGE # 13

AMERICAN DINER

This is a crisp and fun collection of retro inspired hardware designs. Knobs that represent diner stools and ridged pulls with a soft, graceful arc. Influenced by the American diner era, the simplistic shapes give any room a classic 50's vibe with a modern twist, now in longer sizes.

FINISH SUGGESTIONS: CH, VB, SN

PAGE # 23

BRIDGES

This collection was inspired by the great wonders of the architectural world. Resembling bridges and the details from rails, elevation, and arches. The crisp edges and strong lines make this pull an excellent choice for a clear, yet unique design.

FINISH SUGGESTIONS: SN, CH, OBH

PAGE # 62

STUDIO

FINISH SUGGESTIONS: OBH, SN, 14

PAGE # 32

MODERN

MID-CENTURY MODERN

KEY WORDS

“Vintage”
“Minimal”
“Simple”

What to GOOGLE

“Mid Mod Kitchen”

CHARACTERISTICS

- Laminate counter tops
- Warm wood or tile floors
- Clean lines
- Little to no ornament
- Pastel accents

DOORS MAY BE:

- Medium to light, warm wood tones
- May be painted white or a pale color
- Usually flat with no moldings

MID-CENTURY MODERN HARDWARE SUGGESTION

This style is best complemented by silver tones or brass tones that echo the metal tones used at during this time. These designs feature sleek, minimal forms that mimic the simple lines of the style, as found also in mid-mod architecture, lighting and furniture.

CREST

Inspired by the curvatures prevalent in mid-century modern design. Organic but symmetrical, simple, but with a touch of character. The slight curves add refined elegance to any contemporary style.

FINISH SUGGESTIONS: FUB, CH, 14

PAGE # 13

VELOCITY

Inspired by dynamic, graceful speed forms first developed in the automotive and aeronautical industries, Velocity embodies purist and stylishly sophisticated designs that add a distinctive elegance to any room.

FINISH SUGGESTIONS: FUB, 14

PAGE # 20

BAR PULL

The Bar Pull collection's distinctive angles are a subtle masterpiece for any kitchen or bathroom cabinet. The chic, modern pull will complement your contemporary home. It will allow your minimalist designs to shine and will keep your guests focused on your homes consistent atmosphere.
