- 3/4" Adjustable Plywood Shelves
- 5/8" Solid Maple Dovetail Drawer Box
- Fully Captured Plywood Back w/ Hanging Rail
- Undermount Soft-Close Drawer Slides
- Soft-close Door Hinges
- 3/4" Solid Wood Face-Frame
- UV Sealed and Topcoated Plywood Surface

# LIFETIME LIMITED WARRANTY

Lifetime Limited Warranty on CABNOVA Cabinets. Hardwood Interior Design, LLC (hereinafter HID) warrants to original purchaser that all components of HID'S CABNOVA cabinetry shall be free from defects in material and workmanship under normal use. This warranty is only applicable to CABNOVA products used in standard North American residential applications and is not transferable.

Should defects in material or workmanship exist during the applicable warranty period in any CABNOVA product, HID will elect at its discretion to either repair or replace the defective material or component free of charge. This warranty covers only parts and materials of the products supplied by HID. Not covered under this warranty are countertops, appliances, plumbing fixtures, etc. or the costs, including labor, to remove and reinstall materials and related components such as fittings, appliances, etc. This warranty shall become void if the cabinets are in any way modified, improperly installed or damaged prior to or during the installation. This limited warranty applies only in the case of the standard residential application in the United States and is void for all other applications. Furthermore, this warranty will not apply to cabinets damaged by misuse, neglect, abuse, acts of God, exposure to extreme temperatures, the effects of normal wear and tear or exposure to moisture including, but not limited to, excessive or continued exposure to moisture as a result of leakage, improper plumbing, flooding, etc.

Hardwoods may vary in color, characteristics and exhibit subtle changes as they age. Sunlight, smoke, household cleaners and other environmental conditions may also affect the color match over time. These variations are considered the nature of the material in relation to their environmental exposure and are not covered under this warranty.

Hardwoods will expand and contract physically when environmental changes occur in the normal setting of one's kitchen. Changes in temperature, humidity, or prolonged moisture will cause normal "movement" in hardwood products. Hairline cracks or separation may appear consequently becoming visible over joint areas. Painted face frames, doors and other painted products (doors) may develop joint separation and visible cracks. Visual variations such as these are considered normal and customary in our industry. Characteristics developing from the materials used constructing HID relative to its environment is not covered under HID's Lifetime Limited Warranty of its CABNOVA Cabinets.

HID's Lifetime Limited Warranty shall become void from the improper use of household chemicals. Alkaline-based detergents, ammonia or ammonia-based cleaners, vinegar, strong solvent cleaners; mineral spirits, paint thinner or any other harsh cleaning chemical including citrus, or citrus based or acid-based cleaners or abrasive cleaning products severely affect the finish of an HID CABNOVA cabinet.

HID reserves the right to alter design, specifications, and materials without obligation to make similar changes to products previously manufactured. Periodically HID will change the design, specifications, and materials, as conditions require and improvements developed without obligation to make similar changes to products previously manufactured. The repair(s) or replacement(s) are contingent upon the current product offerings of styles and construction options within the HID CABNOVA product line at the time of the warranty claim. If a warranty claim is filed after a product has become obsolete, or has undergone design, specification, or material changes, we reserve the right to honor the warranty in one of the following manners:

1. To replace the affected component with a new component of the same style; or
2. To replace the affected component to achieve a uniform appearance with a comparable product style.

If components are replaced, HID cannot guarantee the finish of these replacements will exactly match the finish and appearance of the components in the residential application on due to the changes that occur during hardwoods natural aging process. Imperfections are part of its inherent natural beauty. Wood varies in color and characteristics that exhibit subtle changes as it ages. For example, white-painted face frames will eventually have visible seam lines at the joint areas, and individual cabinet wood species will darken or lighten with time. Imperfections are not the result of manufacturing one's cabinets, HID's Lifetime Limited Warranty on its CABNOVA Cabinets will not cover differences in color, grain and natural variations including but not limited to those "character" imperfections indigenous to the species of hardwoods used by HID nor does it cover possible differences in color when adding new cabinetry to old.

HID does not warrant the installation of "stand alone" or independent cabinets in widths greater than thirty-six inches and depths greater than twelve inches. All cabinets regardless of design dimension or shape must be affixed to "studs", permanently fastened to interior wall, floor or ceiling joists attached to permanent structures i.e. interior partition wall or floor. IMPORTANT: Structural modification of a wall cabinet can significantly weaken the cabinet. For this reason, modifications are not recommended, if modification is required, the warranty of the cabinet is void and it is the responsibility of the installer to take appropriate steps to compensate for any loss of strength or support due to the modification. SEE INSTALLATION INSTRUCTIONS

THIS WARRANTY IS THE EXCLUSIVE WARRANTY OF HID'S CABNOVA PRODUCT LINE AND IS IN LIEU OF HID DISCLAIMS ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

This warranty applies only to CABNOVA products manufactured or supplied by HID and does not apply to other product lines manufactured by HID. Any interpretation herein other than what is written is unwarranted.

This warranty applies only to CABNOVA products used in residential applications within the United States and is not transferable to subsequent owners. This warranty supersedes all previous warranties from the date of issuance. This warranty constitutes the exclusive remedy against HID for alleged defects in materials and workmanship of its CABNOVA product line.

This warranty gives you specific legal rights and you may have other rights, which vary from state to state. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you.

To obtain replacement(s) under HID'S Lifetime Limited Warranty for its CABNOVA product line, first contact your authorized HID dealer or distributor, who will arrange for inspection of the cabinet. A dated sales receipt as proof of purchase is required to obtain benefits from this warranty.
