WHAT IS PURESTYLE?

STABLE AND DURABLE.

PureStyle combines the beauty of paint with resistance to moisture, warping, expansion and contraction, making it ideal for high moisture areas.

A PROVEN PERFORMER.

Like all Diamond Vibe products, PureStyle has been subjected to rigorous KCMA performance testing and has met or exceeded all certification requirements.

ENGINEERED FOR STRENGTH.

Wrapped door and drawer front components offer a 5-piece construction that emulates the look of a painted door style. It's natural channel accepts fixative or improved door strength while reducing the ability for moisture to enter.

CLEANS BEAUTIFULLY.

A clean cloth dampened with a solution of 5% dish soap and 95% water is all it takes to clean PureStyle cabinetry. Dry with a clean, soft cloth.

UNMATCHED BENEFITS.

With less visible changes to surface appearance due to use and aging. PureStyle offers stability and consistency over time.

ON-TREND AND IN DEMAND.

PureStyle offers crisp, clean details and a quality finish. The added benefits of color consistency paired with the resistance to scratching, fading and surface water mean PureStyle delivers fashion without the fuss.

5-PIECE CONSTRUCTION.

As opposed to thermofoil, which is a routed slab product, PureStyle boasts a true 5-piece construction that effectively emulates the look of painted wood cabinets.

EXCEPTIONAL FINISH.

PureStyle features color consistency without the unpredictable variability often seen by various wood types. The surface regularity of PureStyle results in a fashionable, clean-lined aesthetic.

PAINTS

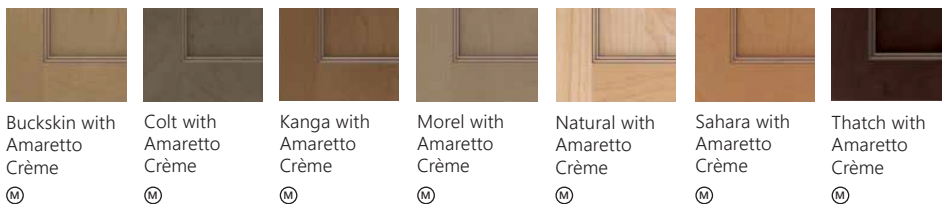

PAINTS WITH PENNED GLAZES***

STAINS

STAINS WITH PENNED GLAZES

* Wendell Purestyle features mitered door and drawer front construction.

** When Loren is selected in Painted Hardwood, the doors and drawer fronts will be constructed of Medium Density Fiberboard (MDF) or High Density Fiberboard (HDF).

*** When Hardwood is painted, cabinet components, doors and/or drawer fronts may be constructed of various hardwood materials and/or composite materials such as Medium Density Fiberboard (MDF) or High Density Fiberboard (HDF).

Construction

STANDARD CONSTRUCTION *(shown)*

This traditional cabinetry construction features a 1-1/2" wide face frame behind a door and drawer front. Regardless of the door style chosen, a portion of the frame will be visible when the doors and drawers are closed. Available on all Full Overlay and Partial Overlay door styles.

CABINET BOX

- Top and Bottom: 3/8" Thick furniture board
- Sides: 1/2" Thick furniture board
- Back: 3/8" Thick furniture board

CABINET EXTERIOR

- Sides: matching laminate*
- Wall cabinet top/bottom: Natural Maple laminate
- Back: unfinished

CABINET INTERIOR

Natural Maple laminate

DRAWERS

Four-sided, dovetailed, clear-coated hardwood with full extension, soft-close

HINGES

Fully concealed, 6-way adjustable hinges with soft-close

I-BEAM BRACES
