Quality Cabinetry. Endless Appeal.

Introducing Cedar Springs Cabinetry—the latest from Cabinetworks Group. Borne from decades of experience in the channel, Cedar Springs offers quality construction and design appeal for large scale multi-family projects. From our framed and frameless options to our vast array of fantastic finishes, the Cedar Springs product line can meet the needs of any project concept, style, and budget.

Each customer and project are different, but every multi-family development follows a similar road to completion. Cedar Springs' sales and support teams bring the expertise and capabilities needed to help you tackle the challenges of even the biggest projects. Plus, with capabilities from coast to coast, we deliver the same great quality no matter the project location.

Created with the purpose of providing an excellent product and experience to distributors serving the multi-family industry, we're excited to help you discover Cedar Springs.
