ENVIRONMENTAL STEWARDSHIP PROGRAM

Sustainable. Durable. Affordable. Stylish.

OUR COMMITMENT TO OUR CABINET PRODUCTS & SUSTAINABILITY

Sustainability has emerged as an important component in our everyday lives, directly shaping our daily activities and the products we purchase. As a leading

manufacturer of high-quality wood cabinets, Studio Full Access Cabinets recognizes the importance of protecting the environment and using resources responsibly.

All our products are **CARB ATCM 93120 Phase 2** and **TSCA Title VI compliant**, and we are proud to carry the KCMA's ESP certification. Introduced in 2006, KCMA developed the Environmental Stewardship Program (ESP) to encourage practices that benefit the environment and communities served by cabinet manufacturers. The ESP certification program holds the cabinetry industry to high standards for their products, forest sustainability and manufacturing processes.

> Through the ESP we are systematically reducing our environmental footprint and providing environmentally conscious products to our customers as well.

ADVANTAGES OF PAINTED MDF FINISH OFFERINGS

- No noticeable grain resulting in a smooth finishOne piece construction eliminates joint lines and center panel movement

DOORS 1.10

FRAMELESS CONSTRUCTION SPECIFICATIONS

1 BOX CONSTRUCTION

5/8" industrial grade particleboard conforming to ANSI 208.1 and CARB Phase 2, faced with both thermally fused melamine & polyurethane coated overlays (for doors & drawer fronts, and for end panels respectively). Front face of cabinet edgebanded with1mm PVC in door matching colors. Nailers, Stretchers, and Toe Kicks have a 3-dowel application, increasing the lateral strength of the overall cabinet.

END PANELS

5/8" industrial grade particleboard conforming to ANSI 208.1 and CARB Phase 2, faced with polyurethane-coated material, matching the color of doors and drawer fronts. End Panels are bore and dowel with glue joinery. Exterior matches door and drawer front color. Interior finish is white. End panels are not textured.

3 TOP/BOTTOM PANELS

5/8" industrial grade particleboard conforming to ANSI 208.1 and CARB Phase 2. Exposed exterior panels faced with polyurethane-coated material, matching the color of doors and drawer fronts.

BACK PANEL

1/8" fully captured back panel in dado glued and stapled to maintain squareness and structural rigidity. Interior surface faced with thermoplastic polymer top coat.

5 SHELVES

3/4" thick particleboard with polyurethane-coated white laminate on both sides including matching edgeband for front face. Shelves are adjustable in all wall and base cabinets.

6 TOE KICK

5/8" thick x 4-1/2" high industrial grade particleboard captured between end panels. Toe kick is recessed 3-15/16". Decorative toe kick overlays use 1/8" thick polyurethane-coated material, ordered separately.

CROSS SUPPORT STRETCHERS

5/8" thick X 4-1/2" deep running the width of the cabinet, with polyurethane -coated white laminate on both sides and matching edgeband for front face. Additional stretcher positioned beneath drawers for base cabinets only.

8 DRAWERS

Dovetail Drawer: Front, back and sides are 5/8" (16mm) thick solid beech hardwood with dovetail construction. Drawer bottoms are nominal 1/4" (6mm) thick multi-ply hardwood birch plywood inserted into dado in front, back, and sides. Includes high-quality steel, undermount soft-close drawer guides that help reduce drawer slamming. Drawers are full extension, self adjusting in mounting brackets. Built-in stop, self-closing and stay closed features with a 100 lb. rated load capacity.

HINGES

Standard: German engineered, made in the USA. Soft-close that is fully integrated & concealed in the hinge arm. This feature is activated until the door is completely shut. Fully Concealed, 110 degree, 6-way adjustable clip-on with a stamped steel cup and hinge body.

Door Reveals: Top and bottom, 1/8"; sides, 1/16"

WOOD DOVETAIL DRAWERS

MODIFICATION CODE KEY

AD ALTERED DEPTH

- Most Wall Cabinets can be increased to 15" or 18" deep
- Select 24" deep **Base Cabinets** can be decreased to 23", 21" or 18" deep
- Most 21" deep Vanity Cabinets can be decreased to 18" deep
- Select 24" deep Universal Access Cabinets can be decreased to 23", 21" or 18" deep

2020 ORDER EXAMPLE:

EW3030 choose "Attributes" then select "add-ons" and "Altered Depth" option

MATCHING INTERIOR

- Select Wall Cabinets and Panels available with matching interior option
- Matching Interior option comes standard on all open cabinets
- When matching interior option is selected, cabinet interior will come with coordinated laminate to match cabinet exterior

2020 ORDER EXAMPLE:

EW3030 choose "Attributes" then select "add-ons" and "Matching Interior" option

FDS FULL-DEPTH SHELF

- Select Base Cabinets can be ordered with full-depth shelves
- Select Universal Access Cabinets can be ordered with full-depth shelves
- Full-depth shelves must be ordered with the cabinet. Cabinets ordered with standard half-depth shelves are not compatible with after-market installation of full-depth shelves.

2020 ORDER EXAMPLE: EB12L choose "Attributes" then select "Add-Ons" and "Full Depth Shelf" option

ST ROLL-OUT SHELF TRAY

- Select Base Cabinets can be ordered with a roll-out shelf tray
- Roll-out shelf trays are white, regardless of drawer construction ordered
- Roll-out shelf tray replaces shelf
- Cabinets ordered with standard half-depth shelves are not compatible with after-market installation of roll-out shelf trays; limited cabinet SKUs ordered with full-depth shelves are compatible with after-market installation of roll-out shelf trays

2020 ORDER EXAMPLE: EB12L choose "Attributes" then select "Add-Ons" and "Base Roll Out Tray" option

FLOATING VANITY CABINET INSTALLATION INSTRUCTIONS

• Floating vanities have a weight limit of 300 lbs. (including countertops) when installed properly

• DO NOT STAND ON THEM

- Floating vanities should be anchored to the wall studs using a minimum of four (4) #10x3" Truss head cabinet mounting screws, with (minimum) one screw anchored no more than 6" from each end panel, and the remaining screws installed at equal intervals in between
- Floating vanities should also be supported underneath by a securely installed leg, cleat, or heavy-duty floating vanity bracket
- Wall blocking is strongly recommended to increase weight bearing capacity of the cabinet installation
- Floating vanities come with solid tops to increase stability and strength; solid tops should not be altered other than to remove the miminum amount needed to install a sink on EFVS____ cabinets

Studio Full Access (SFA) Construction does not support the use of the "tab" or "edge" pull hardware. Due to the tight door and drawer tolerances of the SFA design, use of this type of hardware can cause rubbing and/or wearing on the edges of the cabinet doors and drawer fronts. **acpi is not responsible** for any damage that occurs as a result of using this hardware on Studio Full Access Cabinetry.

NOTES 9.4

CARING FOR YOUR NEW STUDIO FULL ACCESS CABINET PRODUCTS

Congratulations! We know you have a choice in selecting kitchen cabinetry and appreciate your interest in our brand. With proper care, your Studio Full Access products will deliver years of beauty, enjoyment, and convenience.

This Studio Full Access Care Guide will assist you in choosing the correct products to protect your cabinets from normal wear and to repair any imperfections if they should occur.

- Clean cabinets as needed using a lint-free cloth dampened with warm water. Dry well.
- Wipe up spills, splatters and water spots as they occur, keeping cabinets and countertop surfaces dry.
- Give special attention to areas near the sink and dishwasher that come in contact with moisture.

CLEANING PRODUCTS TO AVOID

- **Do not** use abrasive cleaners, scouring pads, or powdered cleaners. These materials may penetrate the cabinet finish allowing moisture to enter and cause deterioration. Do not use harsh chemicals such as ammonia and bleach.
- Do not use solvent- or petroleum-based products such as nail polish removers or paint thinners.
- Do not wax your cabinets. Over time, wax may build up and cause a discolored appearance.
- Do not use pre-moistened dusting sheets or aerosol products specified for dusting.

REMEDIES FOR COMMON KITCHEN ACCIDENTS

Most problems can be prevented by wiping up any spills as soon as they occur. Follow these first aid suggestions for common household accidents. When removing a spot begin at the outer edge and work toward the middle to prevent the spot from spreading.

Food Spots/Water Spots

Clean cabinets as needed with a mild detergent or with soap and water (use sparingly) and dry well using a lint free cloth for both washing and drying.

Greasy Spots

Rub grease, lipstick, crayon, or oil with a damp cloth.

Chewing Gum/Candle Wax

Apply a plastic bag filled with ice on top of the deposit until it is brittle enough to crumble off.

Minor Scratches, Nicks, and Dents

Studio Full Access offers a **Cabinetry Care Kit** to help you keep your cabinet products looking like new. Most scratches, nicks, and dents can be repaired using this kit. The Cabinetry Care Kit includes (1) a touch-up marker to re-stain small scratches and (2) a putty stick to fill nail holes, minor nicks, and dents.

Both of these items can be ordered through the Studio Full Access customer service department.

LIMITED 1-YEAR WARRANTY

For cabinetry purchased on or after April 1, 2016.

ACProducts, Inc. (ACPI) warrants to the original consumer purchaser that our Studio Full Access Cabinets will be free from defects in material and workmanship under normal use for a period of one (1) year from the date of purchase (except where required by law to be two (2) years) or as per written agreement. This warranty is extended to the original purchasing consumer only for use of the product within the United States and is not transferrable. No changes or modifications can be made to this warranty except by an officer of ACProducts, Inc.

WARRANTY COVERAGE

Limited 1-Year Warranty on Cabinets (except where required by law to be two (2) years) to the original purchasing consumer from date of original purchase or as per written agreement that the cabinets will be free from defects in material and workmanship under normal use.

WARRANTY LIMITATIONS AND EXCLUSIONS

- This Warranty does not apply to (i) damage caused by improper installation, (ii) other product used or installed in connection with the cabinets including, but not limited to, appliances, countertops, or plumbing fixtures (including the costs to remove and reinstall such other product), (iii) product damage, loss, or theft either after delivery for material only jobs or after installation for installed jobs, or (iv) damage caused by misuse, abuse, neglect, accident, alteration, improper use, exposure to moisture or extreme temperatures, failure to maintain, acts of God, or normal wear and tear.
- Naturally occurring wood characteristics including, but not limited to, variations in color, grain pattern, mineral streaks and knots are not considered defects. Color variations may also be affected by age, character of cabinets, and exposure to UV light, sunlight, smoke, household cleaners, and other environmental conditions. As such, new and/or replacement cabinets may not match display samples and/or existing cabinets. Any such variations and changes to Studio Full Access Cabinet products, whether present during production or which develop over time, are not considered quality defects and are not covered by this warranty.
- Painted finishes have unique characteristics that differ from standard wood finishes. Wood of all species is subject to the humidity and temperature of its environment and may expand or contract due to changes in weather, temperature, or climate. Due to these normal shifts in the environment, painted wood cabinetry may develop hairline cracks, peeling, or separation of seam lines. On select hardwoods and veneers, joints, seams, and some natural characteristics of the wood (including, but not limited to, grain patterns, knots, and mineral streaks) will remain visible through painted finishes. As painted cabinet products age, the finish may mellow or discolor slightly. The degree of change to the original finish color is affected by the products' exposure to natural and artificial light. These normal variations are not considered quality defects and are not covered by this warranty.

APPENDICES 9.6

WARRANTY PERFORMANCE

In the event of a manufacturing defect within the terms and conditions set forth herein, ACPI will repair or replace the product, at ACPI's sole option, without charge. Such repair or replacement is contingent upon the current product offerings within the ACPI product line at the time of the warranty claim. If the affected product is no longer available, ACPI reserves the right to (i) replace the affected component with a new component of the same style, or (ii) replace the affected component and any other component within the total product to achieve a uniform appearance with a similar and comparable product style and quality as the original product. Due to changes that occur during the wood's natural aging process, ACPI cannot guarantee that replacements will exactly match the finish and appearance of the remaining components in the original product. ACPI will not provide or pay for the cost of (i) removal of defective product. Repaired or replaced product shall be warranted for a period equal to the remainder of the original Limited Warranty on the original product or for ninety days, whichever is longer.

WARRANTY DISCLAIMER

THIS LIMITED WARRANTY SETS OUT THE FULL EXTENT OF ACPI'S RESPONSIBILITIES, AND THE EXCLUSIVE REMEDY REGARDING THE PRODUCTS. ALL IMPLIED WARRANTIES, INCLUDING WITHOUT LIMITATION, IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, ARE LIMITED TO THE DURATION OF THIS LIMITED WARRANTY. IN NO EVENT SHALL ACPI BE LIABLE FOR DAMAGES IN EXCESS OF THE PURCHASE PRICE OF THE PRODUCT OR FOR, WITHOUT LIMITATION, COMMERCIAL LOSS OF ANY SORT; LOSS OF USE, TIME, DATA, REPUTATION, OPPORTUNITY, GOODWILL, PROFITS OR SAVINGS; INCONVENIENCE; INCIDENTAL, SPECIAL, CONSEQUENTIAL OR PUNITIVE DAMAGES; OR DAMAGES ARISING FROM THE USE OR INABILITY TO USE THE PRODUCT. SOME STATES AND JURISDICTIONS DO NOT ALLOW LIMITATIONS ON HOW LONG AN IMPLIED WARRANTY LASTS, OR THE DISCLAIMER OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATIONS AND DISCLAIMERS MAY NOT APPLY TO YOU. All disputes with ACPI arising in any way from this Limited Warranty or the sale, condition or performance of the Products shall be resolved exclusively through final and binding arbitration, and not by a court or jury.

SEVERABILITY

If any portion of this Limited Warranty is held to be illegal or unenforceable, such partial illegality or unenforceability shall not affect the enforceability of the remainder of the Limited Warranty.

CLAIMS

All claims must be submitted in writing and must specify the defects present in the cabinets and accessories. To initiate a claim for defective cabinets and accessories contact your builder, dealer, distributor or contractor who installed and sold the product.

If that party is unknown or you have difficulty obtaining assistance, contact:

ACProducts, Inc., Customer Service Dept., 3551 Plano Parkway, Suite 200, The Colony, Texas 75056

After ACPI has had an opportunity to inspect the cabinets and accessories, they will, at their discretion either replace defective cabinets and accessories or repair any defects in the cabinets and accessories.

For warranty information on cabinetry purchased between November 1, 2012 and March 31, 2016, please visit www.studiofullaccess.com/warranties.

TERMS & CONDITIONS FOR ALL SALES OF GOODS

- 1. Terms and Conditions of Sale. This Agreement shall cover all materials delivered to Purchaser, by Seller, at Purchaser's request, whether specifically itemized herein or not. If not itemized herein such materials shall be invoiced to Purchaser at Seller's prevailing price at time of delivery. Any receipt signed by any watchman or employee of Purchaser, owner, general contractor, carpenter contractor, or any other authorized agent shall be sufficient evidence of delivery. All orders are subject to the terms and conditions set forth in this Agreement and Seller's warranty in effect as of the date of delivery.
- 2. Warranty Summary. Seller warrants that the products delivered pursuant to this Agreement will be free from defects in material and workmanship at the time of delivery or, if installation is included, upon installation. SELLER SPECIFICALLY DISCLAIMS ALL OTHER EXPRESSED OR IMPLIED WARRANTIES, INCLUDING THE IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. No affirmation of fact or promise made by Seller, its agents or employees shall constitute a warranty. Seller's obligation with respect to the products sold herein shall be limited to furnishing repair or replacement materials for factory defective materials at ACPI's sole option or reinstallation if applicable. Under no circumstances shall any back charges be rendered by Purchaser without Seller's prior written consent.
- 3. Nonconforming Shipments. Any claim for defective goods, errors, transit damages or shortages shall be presented in writing by Purchaser to Seller within five (5) days from receipt of goods by Purchaser, but no claim shall be made by Purchaser for incidental, indirect, special, or consequential damages. Seller is not responsible for damage after (i) delivery for material only jobs or (ii) installation for installed jobs. Defective product will be handled in accordance with Seller's Standard Limited Warranty. For further information on ACPI's Warranty, see the brand's official website for the products purchased.
- 4. Storage Fee. All orders must be picked up or received by Purchaser (if Seller is delivering the order) within thirty (30) days from the date Seller provides notice to Purchaser that the order is at the delivery point. Seller will apply a \$20.00 per day storage fee to Purchaser's account for any order not picked up or received within the 30-day period, and the order will not be released until such storage fee is paid.
- 5. Undelivered Orders. Orders left at the delivery point, or not accepted for delivery, for more than 60 days after notice to Purchaser that the order is available, will be cancelled and Purchaser's deposit for Cash Sales will be retained as liquidated damages. Credit Purchasers will be invoiced and liable for an amount equal to 50% of the total order as liquidated damages.
- 6. Returns. THERE IS NO CANCELLATION, RETURN OR REFUNDS ON ANY SPECIAL/NON-STOCK ORDERS. Returns are permitted on stock items that are not damaged and have not been previously installed, and a restocking and handling fee of 25% of the total order will be charged. The product, including the original carton, must be in good condition and accompanied by the sales receipt. Returns must be received by Seller within 14 days of purchase. All transportation costs for returned goods must be paid by Purchaser. On permitted returns, a refund check will be issued within 120 days. There are no cash refunds.
- 7. Financial Stability. If, at any time before shipment, the financial responsibility of Purchaser becomes impaired or unsatisfactory to Seller, in Seller's sole judgment, cash payment or satisfactory security or assurances other than those herein provided may be required by Seller.
- 8. Default. For credit sales, Purchaser agrees that delivery of product under this Agreement is subject to such credit limit placed upon Purchaser's account by Seller's Credit Department. Failure of Purchaser, even after making partial payment on account in accordance herein, to perform any of its obligations under this Agreement shall give Seller the option, upon notice to Purchaser, to suspend shipments or to cancel this Agreement or that portion of it as may remain unexecuted, without prejudice to any other rights or remedies of Seller.
- 9. Insurance. Upon execution of this Agreement and for the duration of the warranty period, Seller shall maintain insurance in accordance with following limits: <u>Commercial General Liability</u> \$1,000,000 each occurrence, \$2,000,000 general aggregate, and \$2,000,000 products/completed operations; <u>Automobile Liability</u> \$1,000,000 combined single limit; <u>Umbrella Liability</u> \$2,000,000 each occurrence and in the aggregate; <u>Worker's Compensation and Employer's Liability</u> \$1,000,000 each accident, each employee, and policy limit.

Upon Purchaser's written request, Seller shall provide a Certificate of Insurance for the above-mentioned limits. Purchaser and owner (if applicable) may be listed as additional insureds on the General Liability policy only. If endorsement for ongoing operations ISO Form CG2010 (4/13) or endorsement for completed operations ISO Form CG2037 (4/13) are required by Purchaser, such endorsement(s) will be issued in blanket form only. In no event shall limits per project, waiver of subrogation endorsements, umbrella amounts exceeding those set forth above, or primary and noncontributory endorsements apply to this Agreement.

10. Indemnity; Limitation of Liability. Purchaser shall indemnify, defend and hold harmless Seller, including its directors, officers, agents and employees, from all claims, losses, damages, expenses (including reasonable attorneys' fees and court costs), and liabilities for injury to or death of any person, or for loss or damage to any real or tangible personal property arising out of the acts or omissions of Purchaser under this Agreement. IN NO EVENT SHALL SELLER BE LIABLE FOR ANY INCIDENTAL, INDIRECT, SPECIAL OR CONSEQUENTIAL DAMAGES WHETHER OR NOT ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. FURTHER, SELLER'S TOTAL AGGREGATE LIABILITY FOR DAMAGES UNDER OR IN CONNECTION WITH THIS AGREEMENT, REGARDLESS OF THE FORM OF THE ACTION OR THE THEORY OF RECOVERY, SHALL NOT EXCEED THE PRICE PAID BY PURCHASER UNDER THIS AGREEMENT.

APPENDICES 9.8

acpi -

- **11.** Force Majeure. Seller shall not be responsible for contingencies beyond its control, such as fire, government seizure or control, acts of God, strikes, factory or labor conditions, or any other unfavorable causes that may or shall prevent shipment at the time or times provided for herein. Quoted delivery dates are Seller's best estimate based on current schedules. Incremental or additional costs incurred by Seller, as a result of Purchaser's alteration of the delivery schedule, will be borne by Purchaser.
- 12. Offset. Purchaser agrees to (i) waive any right to offset, whether under this Agreement or under applicable law or otherwise, any amount owed by Seller to Purchaser against any amount then owed or in the future to be owed by Purchaser to Seller and (ii) pay to Seller the full amount owed to Seller in accordance with the terms of this Agreement. For the avoidance of doubt, Purchaser does not waive any substantive claim (other than with respect to its right to offset as described in the preceding sentence) that it may have against Seller.
- 13. Legal Expenses and Collection Costs. Purchaser shall be liable for all reasonable costs of collection and statutory attorney's fees incurred by Seller by reason of Purchaser's failure to pay on account when due.
- 14. Waiver. Waiver by Seller of any default by Purchaser shall not be deemed a waiver by Seller of any default by Purchaser which may thereafter occur.
- 15. Termination. This Agreement may be terminated by Purchaser only when approved in writing by a duly authorized officer or agent of Seller. In the event of termination, Seller will take immediate steps to mitigate termination costs to Purchaser, but Purchaser shall reimburse Seller for the costs of all labor, overhead and material costs and other commitments made by Seller in reliance upon this Agreement. Insolvency of Purchaser, the filing of a petition in bankruptcy or the commencement of any insolvency or receivership proceeding shall be deemed a termination by Purchaser.
- 16. Security Interest. Seller retains a security interest in the materials and product ordered herein until payment in full has been received.
- 17. Ownership of Materials. Designs, processes, drawings, specifications, reports, photographs, data and other technical or proprietary information relating to this order shall remain the property of Seller, and Purchaser agrees that it will not use any of such items or information therein for the production or procurement from any other source of articles furnished in connection with this order, nor reproduce or otherwise appropriate the same without the prior written authorization of Seller.
- **18. Publicity.** Purchaser agrees that it will not disclose or make available to any third party the terms or provisions of this Agreement, including but not limited to the items referred to in paragraph 15, without the prior written authorization of Seller.
- 19. Assignment. Purchaser may not transfer or assign this Agreement without the prior written authorization of Seller.
- 20. Order of Precedence. In the event of a conflict between the terms of this Agreement and any other document presented by Purchaser pursuant to this order, including but not limited to any purchase order issued by Purchaser, the terms of this Agreement shall govern.
- 21. Remedies. Notwithstanding any other provision herein, Seller shall be entitled to seek equitable relief to protect its interests, including but not limited to preliminary and permanent injunctive relief. Nothing herein shall be construed to limit any other remedies available to Seller.
- 22. Survival. Any obligations which by their nature would survive termination of this Agreement, including but not limited to the obligations of confidentiality and indemnification, shall survive such termination.
- 23. Severability. These terms and conditions shall be severable and the invalidity or unenforceability of any of them under any circumstances shall not affect those terms and conditions which are not held to be invalid or unenforceable.
- 24. Entire Agreement; Amendment. These terms and conditions constitute the entire understanding of the parties related to the subject matter hereof and may be amended or modified only by written agreement of the parties to this Agreement.
- **25. Governing Law; Jurisdiction.** This Agreement shall be governed by, and interpreted in accordance with, the laws of the State of Texas without giving effect to any choice or conflict of law provision or rule (whether of the State of Texas or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than the State of Texas. Each party agrees (i) that the exclusive jurisdiction for the resolution of any dispute, proceeding, or legal action (jointly "Proceeding") related to this Agreement or the transactions contemplated hereunder shall reside in the state or federal courts located in Dallas, Texas and (ii) not to assert any claim that it is not subject personally to the jurisdiction of such court, that the Proceeding is brought in an inconvenient forum, that the venue of the Proceeding is improper, or that this Agreement may not be enforced in or by such court.
