ESSENCE PLUS HARDWARE COLLECTIONS

Stock

The Hardware shown on this display board are in-stock and ready for delivery.

Non-Stock Lead Times

Normal non-stock lead time is within 1-3 weeks of placing your order.

Direct ship from the factory is available for \$15 and your order will ship in 2 days.

Packaging

All the hardware items are individually poly bagged, labeled with the Part Number/Finish, Description, UPC Number and Country of Origin. The screws are in a separate poly bag and the screw length is determined by mounting the hardware item on 3/4" thick material. Additional screws are also included in the same package that will allow the hardware item to be mounted on 1-1/4" thick material. Other screw lengths can be special ordered to mount on different material thicknesses.

Warranty

There is a Manufacturer's Warranty on all products. If you are not completely satisfied with this product, please return it to Williams Distributing for replacement of purchase. Complete warranty details are available at www.wmsdist.com.

Cleaning

It is recommended to clean the hardware items with a soft cloth, clean water and a mild soap. Other pre-mixed type cleaners should not be used.
