NANTUCKET POLAR WHITE

NANTUCKET
POLAR WHITE

TIVERTON
PEBBLE GRAY

Nantucket Polar White features a painted white shaker door, perfect to create a clean, light feel in any kitchen.

Tiverton Pebble Gray is a gray shaker door with a sleek neutral tone that you will enjoy for years to come.

Both doors feature 3/4" thick x 3" wide solid MDF Shaker style mortise and tenon framed doors and drawer fronts with 5/8" thick solid MDF recessed center panels. Hinges are fully concealed and decorative hardware is required.

QUALITY CABINETS FOR TODAY'S HOME

PRODUCT FEATURES

CABINET SIDES

1/2" thick plywood.
Provides strength without the weight.

BACK PANEL

1/2" thick plywood full height.
Full height back panels add strength.
Easier to install.

BASE CABINET BRACES

1/2" thick plywood captured I-beams.
I-beams give better stability & rigidity versus corner blocks.

TOP/BOTTOM PANELS

1/2" thick plywood captured.
Provides strength & durability without the weight.

FACE FRAME

3/4" thick solid hardwood doweled. Provides strength & rigidity to ensure cabinet stays square.

DRAWER BOX

5/8" thick solid hardwood, dovetail joints,
1/4" plywood captured bottom.
Provides the strength, look & feel of fine furniture.

DRAWER RUNNER

Concealed Full-extension Soft Close.
Concealed runners provide quieter operation and give the look & feel of fine furniture.

HINGES

Concealed 110° Soft Close, with 6-way adjustment.
Provides maximum adjustability for that perfect fit.

ADJUSTABLE SHELVES

3/4" thick plywood full depth.
Provides maximum storage, strength to hold 15 lbs. per sq. ft.

DOOR STYLES OPTIONS

17 Full Overlay Styles in various finishes.
Multiple options for decor and price points.

DOOR BUMPERS

Soft urethane door & drawer bumpers.
Our bumpers do not compress over time and provide superior sound dampening.

INTEGRAL TOE KICK

1/2" plywood captured between cabinet sides.
Captured toe kicks add strength & rigidity to the cabinet versus applied toe kicks.
