

SMART CABINETS

Finally, the long-awaited and over due Smart stock 20/20 catalog has been sent to your store!

These two catalogs, **SMARTSTK** and **SMARTST2** will only allow you to select the construction that matches our stocking inventory. And best of all, it only contains items that we actually stock!

Two wood species
selections appear

Information

Standard Drawer Front

The drawer front is pre-selected based on the door style selected. For Lexington and Squire your choice is slab or standard DF.

Note, if Chelsea were selected, the 5 PC drawer front would have been your only choice.

Information			

Construction of the case is "standard" on our stock Lexington and Squire door styles.

Note, on Chelsea the construction is all-plywood. Other constructions are available in the **SMART** and **SMART2** catalogs.

*If you like the new **SMARTSTK** catalog, be sure to say thank you to Russ @ #3812 for pushing us so hard to make this happen :)

**And a special Thank You to Marty in Atlanta, for allowing this 20/20 catalog to be added to your store!
