

Howell Spring Training

Get ready for the **HOT** days of summer and the new refrigerant changes to **R-32!**

We will be covering all the new Refrigerant Detection Systems (RDS), mitigation and zone board controls and wiring questions, along with some discussion about TXV VS Piston. We will also go over some of the most common issues we see in the field going into A/C season. Limited spaces available—register now for yours!

Wednesday, April 9, 2025 1 pm – 4 pm

\$25 to attend, snacks provided. No show fees apply.
