DAIKIN | Williams Distributing — a member of DAIKIN group | Shoemaker Heating and Cooling Supply — A Division Of Williams Distributing

Valid Through 3/31/26!

DID YOU KNOW?

- Daikin packaged rooftop units – engineered for easy installation! Designed to fit most curbs without the need for a curb adapter, available in sizes up to 12.5 ton.
- Simplified Service! Daikin units streamline maintenance and limit operation costs with a direct-drive blower – eliminating the need for traditional belt drive maintenance.
- Enhance control and connectivity in your projects with advanced Daikin *iLINQ* controllers.
