TRAINING CENTER

Details

Join our Daikin Altherma Training to learn about the new Altherma 3 H HT, a high-temperature air-to-water heat pump. This training covers its efficient 3-in-1 heating, cooling, and optional DHW capability, performance in extreme temperatures, and its modern design with cloud-ready connectivity, helping you confidently understand and present this innovative solution. **Food provided. No cost.**

Trainer

Jason Waterwash
Regional Manager West | Williams Distributing
